Solano County Fair's New Clear Bag Policy

Vallejo, CA — October 20, 2024 — The Solano County Fair Association's Board of Directors adoped a new security policy at their Wednesday, October 16, 2024 meeting.

> The Solano County Fairgrounds and Event Center will enforce a Clear Bag Policy to reduce security screening interactions and expedite entry to Fairgrounds at all events over 500 guests. These clear bags shall not exceed 12"x12"x2".
>
> Guests can carry in blankets and jackets as long as they are readily available for screening at entry.
>
> Guests can bring in parental bags as long as they are readily available for screening at entry.
>
> Exceptions will be made for medically necessary items after proper inspection and screening.

"We are looking at this as a tool to get guests into our events more quickly in a less invasive manner. This has become very standard at most venues. We do not want to add barriers to people attending. Just using a one-gallon zip lock bag will be just fine. We'll have detailed information available on our website in coming weeks," says Solano Fair CEO, Tom Keaney.
